## Summer Of '98

## **The Secret Handshake**

I wrote some songs cause I love her Then played some shows in the suburbs It was the middle of summer in Texas I was feeling pretty good then Everything worked out at school then I was feeling like a champ then, in summer

This this could be the summer, the summer of love And this this could be the summer when I grow up

I wanted to be just like him He looked just like all the cool kids I wanted to wear what he wore in summer I was feeling pretty good then Everything worked out at school then I was feeling like champ then, in summer

ok

This, this could be the summer, the summer of love And this, this could be the summer when I grow up This, this could be the summer, the summer of love And this this could be the summer when I grow up

Its never been like this I am just starting over

Its never been like this I am just starting over

This, this could be, the summer the summer of love And this, this could be the summer when I grow up This, this could be the summer, the summer of love And this, this could be the summer when I grow up This, this could be the summer, the summer of love And this, this could be the summer when I grow up
