The Secret

Kiss your Virgin whore  
Kiss your Virgin whore  
Kiss her for the third time  
You will not find any miracles here  
How do you feel after kissing your Virgin whore?  
How do you feel?  
Do you feel cheated by yourself after selling her for thirty silver coins?  
How do you feel?  
It's already written because it's already happened  
It's already happened because it's already started  
Lies, lies, lies on sale
