

Calling Me Home

The Seekers

There's a sun up in the sky
And I know the reason why
It's because I'm not alone anymore
Gentle breezes at my back
As I'm heading down the track
And I know I'm not alone anymore

'Cause I'm thankful for the day I found you
Feels so good to be around you
Love is calling me home
I finally found what I've been looking for
Walking through that open door
Your love is calling me home

Though the darkness may appear
Still I see things very clear
'Cause I know I'm not alone anymore
I am happy I am free
'Cause the love inside of me
Means I know I'm not alone anymore

And I'm thankful for the day I found you
Feels so good to be around you
Love is calling me home
I finally found what I've been looking for
Walking through that open door
Your love is calling me home

Used to be so sad and lonely
Used to hang my head down low
Now it seems I've got the whole world in my hands
Whoa whoa whoa whoa

Your love is calling me home
Your love is calling me home
And I'm thankful for the day I found you
Feels so good to be around you
Love is calling me home

I finally found what I've been looking for
Walking through that open door
Your love is calling me home

Calling me home calling me home
Calling me home calling me home
Calling me home calling me home
Calling me home calling me home
