

## Coca Cola Jingle

The Seekers

Are you ready for this?  
Things go better with Coca Cola  
Things go better with Coca Cola  
Pass that tray of Coke around  
Come on Daddy let your hair hang down

Coke makes life more fun  
It's the real live one  
Coke after Coke  
Coke after Coke  
Coke after Coke [repeated in the background]

When we get together with a group of friends  
And a couple of guitars  
We get in a big supply of Coke  
Because people just never seem  
To get tired of the taste of Coca Cola

We drink Coke after Coke  
Coke after Coke  
Coke after Coke [repeated in the background]

Things go better with Coca Cola  
Things go better with Coca Cola  
Leave that coat outside the door  
Get your feet up off the floor  
Coke makes life more fun  
It's the real live one

Have you heard that Coke  
Refreshes you best  
Coke is the refeshenest

Things go better with Coca Cola  
Things go better with Coca Cola  
You won't hear many Chinese tunes  
Don't forget your dancing shoes  
Things go better with Coke  
Things go better with Coke
