

Lonesome Traveller

The Seekers

I am a lonely and a lonesome traveller
Well I am a lonely and a lonesome traveller
Well I am a lonely and a lonesome traveller
And I'm gonna travel right along

Well I've travelled in the hills I've travelled in the valleys
Travelled in the hills I've travelled in the valleys
I've travelled in the hills I've travelled in the valleys
And I'm gonna travel right along

I am a lonely and a lonesome traveller
Well I am a lonely and a lonesome traveller
Well I am a lonely and a lonesome traveller
And I'm gonna travel right along

Well I've travelled cold and then I've travelled hungry
I've travelled cold and then I've travelled hungry
I've travelled cold and then I've travelled hungry
I'm gonna travel right along

I am a lonely and a lonesome traveller
Well I am a lonely and a lonesome traveller
Well I am a lonely and a lonesome traveller
And I'm gonna travel right along

Well now one of these days I'm gonna stop all my travelling
Well one of these days I'm gonna stop all my travelling
Hey one of these days I'm gonna stop all my travelling
And I'm gonna travel no more
Till then boy

I am a lonely and a lonesome traveller
Well I am a lonely and a lonesome traveller
Well I am a lonely and a lonesome traveller
And I'm gonna travel right along

I'm gonna keep right on a-travelling down that road to freedom
I'm gonna keep right on a-travelling down that road to freedom
I'm gonna keep right on a-travelling down that road to freedom
And I'm gonna travel right on

I am a lonely and a lonesome traveller
Well I am a lonely and a lonesome traveller
Well I am a lonely and a lonesome traveller
And I'm gonna travel right along

I'm gonna travel right on
I'm gonna travel right on
