

The Carnival Is Over

The Seekers

Say goodbye my own true lover
As we sing a lovers song
How it breaks my heart to leave you
Now the carnival is gone

High above the dawn is waiting
And my tears are falling rain
For the carnival is over
We may never meet again

Like a drum, my heart was beating
And your kiss was sweet as wine
But the joys of love are fleeting
For Pierrot and Columbine

Now the harbour light is calling
This will be our last goodbye
Though the carnival is over
I will love you till I die

Like a drum, my heart was beating
And your kiss was sweet as wine
But the joys of love are fleeting
For Pierrot and Columbine

Now the harbour light is calling
This will be our last goodbye
Though the carnival is over
I will love you till I die
Though the carnival is over
I will love you till I die
