

This Land Is Your Land

The Seekers

This land is your land, this land is my land
From California to the New York Island
From the Redwood forest to the Gulf Stream waters
This land was made for you and me

As I was walking that ribbon of highway
I saw above me an endless skyway
And down below me a golden valley
This land was made for you and me

This land is your land, this land is my land
From California to the New York Island
From the Redwood forest to the Gulf Stream waters
This land was made for you and me

When the sun comes shining and I was strolling
And the wheat fields waving and the dust clouds rolling
As the fog was lifting, a voice was chanting
It told me: this land was made for you and me

This land is your land, this land is my land
From California to the New York Island
From the Redwood forest to the Gulf Stream waters
This land was made for you and me

This land is your land, this land is my land
From California to the New York Island
From the Redwood forest to the Gulf Stream waters
This land was made for you and me
