

Time And Again

The Seekers

Oh love what has become of me
I'm sure missing your company
Your day's beginning my day's about to end
You are so much a part of me
You are the soul and the heart of me
I find myself thinking of you time and again

Oh love when you are far away
I can't disguise
The way that I'm feeling when I get those faraway eyes
Time and again

Your voice sounds a world away
You say you'll be home any day
And I'll be here waiting counting the hours till when
I hear your footsteps at the door
As you me waltzing around the floor
Back in your arms loving you time and again

Oh love when you are far away
I can't disguise
The way that I'm feeling when I get those faraway eyes
Time and again

You are so much a part of me
You are the soul and the heart of me
I find myself thinking of you time and again
I find myself thinking of you time and again
