

We're Moving On

The Seekers

Oh we are crossing that Jordan river
We're moving on we're moving on

Oh we are crossing that Jordan river
We're moving on we're moving on

Well Jordan river deep and wide
Got a hope on the other side
We're crossing that Jordan river
We're moving on

Early in the morning
Gonna reach the shore
We're moving on we're moving on
Early in the morning
Gonna reach the shore
We're moving on we're moving on

Well Jordan river deep and wide
Got a hope on the other side
We're crossing that Jordan river
We're moving on

Getting weary
Can't lay down
We're moving on moving on
Getting weary
Can't get on
We're moving on we're moving on

Well Jordan river deep and wide
Got a hope on the other side
We're crossing that Jordan river
We're moving on

Well Jordan river deep and wide
Got a hope on the other side
We're crossing that Jordan river
We're moving on
