

## What Have They Done To The Rain

The Seekers

Just a little rain falling all around  
The grass lifts its head to the heavenly sound  
Just a little rain just a little rain  
What have they done to the rain

Just a little boy standing in the rain  
The gentle rain that falls for years  
And the grass is gone the boy disappears  
The rain keeps falling like helpless tears  
And what have they done to the rain

Just a little breeze out of the sky  
The leaves pat their hands as the breeze blows by  
Just a little breeze with some smoke in its eye  
What have they done to the rain

Just a little boy standing in the rain  
The gentle rain that falls for years  
And the grass is gone the boy disappears  
The rain keeps falling like helpless tears  
And what have they done to the rain  
What have they done to the rain
