

## He Cried

The Shangri-Las

i met him at the place where we always meet  
he put his arms around me he smiled

and when i tol dhim i didn't love him anymore he cried  
and when i told him his kisses were not like before  
he cried

i knoew that our romance was over and done  
but for him it had just begun  
and when i told him another boy had caught my eye  
he cried

and when i kissed him a kiss that only meant goodbye  
he cried
