

## Past Present And Future

The Shangri-Las

The past, past, well now let me tell you about the past  
The past is filled with silent joys and broken toys,  
Laughing girls and teasing boys,  
Was I ever in love? I called it love- I mean, it felt like love  
,  
There were moments when, well, there were moments when  
Present, Go out with you? Why not  
Do I like to dance? Of Course,  
Take a walk along the beach tonight? I'd love to,  
But don't try to touch me, don't try to touch me  
Cos that will never happen again,  
Shall we dance  
Instrumental  
The future, Tommorrow? well tommorows a long way off  
Maybe someday I'll have somebody's hand  
Maybe somewhere someone will understand  
You know I used to sing- a tisket a tasket a green and yellow b  
asket  
I'm all packed up and I'm on my way and I'm gonna fall in love,  
But at the moment it doesn't look good  
At the moment it will never happen again  
I don't think it will ever happen again.
