Remember

The Shangri-Las

Seems like the other day My baby went away He went away 'cross the sea It's been two years or so Since I saw my baby go And then, this letter came for me It said that we were through He found somebody new Oh, let me think, let me think, what can I do? Oh no Oh no Oh no no no no no (Remember) Walking in the sand (Remember) Walking hand in hand (Remember) The night was so exciting (Remember) Smile was so inviting (Remember) Then he touched my cheek (Remember) With his fingertips Softly, softly, we'd meet with our lips Whatever happened to The boy that I once knew? The boy who said he'd be true Oh, what will happen to The life I gave to you? What will I do with it now? (Remember) Walking in the sand (Remember) Walking hand in hand (Remember) The night was so exciting (Remember) Smile was so inviting (Remember) Then he touched my cheek (fade out)
