

Alright OK

The Sheepdogs

Tears run down my face
The shame I can't erase
Damn those bastards all
You can't persuade them all

I miss you, some time I meet you
If only to just complete you
Ever you can't call
It helps to please them all

I say now, alright, I'm OK
I got time
It helps me clear my mind

I say now, alright, I'm OK
I got time
It helps me clear my mind

Memories they faded
Dreams of yesterday
I hate to see it's o'er
But forward we must go

Gettin' tired of the new one
Steppin' out for this cool one
A viscious game to play
But it had to be this way

I say now, alright, I'm OK
I got time
It helps me clear my mind

I say now, alright, I'm OK
I got time
it helps me clear my mind

Yeah...
Feels like dreams of yesterday
Feels like dreams of yesterday
Feels like dreams of yesterday

I say now, alright, I'm OK
I got time
It helps me clear my mind

I say now, alright, I'm OK
I got time
It helps me clear my mind

Yeah...
yesterday
Yeah, yesterday
Feels like dreams of yesterday
Feels like dreams of yesterday
