

## Ewan's Blues

### The Sheepdogs

When you wake up in the evening,  
You will waste your chance to grow.  
Fourteen years of living's how I know.  
And if you think that's a foolproof plan,  
Then you better find another man.  
And if you feel like your bound to rust,  
Or you don't know who to trust.  
Well you'll never know, how I love you so.  
How I love you so.

Everybody lies,  
And no one wonders why.  
And if you're dressed out all the time little darling,  
I get that wondering eye.  
You'll never know,  
How I love you so.  
How I love you so.  
Yeah I love you so.

You'll never know,  
How I love you so.
