

How Late, How Long

The Sheepdogs

How late how long
Singing your song
Stormy weather
When we're together (2x)

And when I'm by myself
That's when I think of no one else
Why don't you keep to your
Baby why don't you keep to your own
And when stay up late
I say to myself well you're not so great
Why don't you keep to your own
Baby when don't you keep to my own

How late how long
Singing your song
Stormy weather
When we're together (2x)

And when I think things through
I hear a voice in the dark that just don't ring true
Why don't you keep to your
Baby why don't you keep to your own
And when I stay out late
I say to myself well you're not so great
Why don't you keep to your
Baby why don't you keep to your own

How late how long
Singing your song
Stormy weather
When we're together (2x)
