

Little Boxes

The Shins

Little boxes on the hill side, little boxes made of ticky tacky
.

Little boxes, on the hillside, little boxes all the same.
There's a green one and a pink one and a blue one and a yellow
one,
And they're all made out of ticky tacky, and they all look just
the same.

And the people in the houses all went to the university
Where they were put in boxes, they came out all the same.
And there's doctors, there's lawyers, and business executives
And your all made out of ticky tacky and your all look just the
same.

And they all play on the golf course and drink their martini dr
y
And they all have pretty children and the children go to school
And the children go to summer camp and then to the university
Where we all get put in boxes and all come out the same.

And the boys go into business and marry and raise a family
In boxes made of ticky tacky and they all look just the same
There's a pink one and a green one and a blue one and a yellow
one
And they're all made out of ticky tacky and they all look just
the same.
