

# Shhh! I'm Watching The Movie

The Shirelles

I went to a movie with some girlfriends of mine  
I saw a handsome boy on the ticket line  
He followed us up into the balcony  
& he sat down right beside me

Hey girl, what's your name?  
Shhh! I'm watchin' the movie  
My name's Steve, what's yours?  
Shhh! I'm watchin' the movie

I really wanted to meet that guy  
But it wasn't right & so I acted shy  
Right in the middle of a kissing scene  
He brought me a drink from the soda machine  
He seemed so nice I decided to go  
He took my hand & said "Let's go"

Now we go together to the movie show  
'Cause he's my guy & I dig him so  
We sit way back in the balcony  
But when I wanna talk he says to me

Shhh! I'm watchin' the movie  
Oh please, come on, Steve  
Oh come on, let me watch it  
Plese, let's...  
It's just about over  
But I wanna walk with you  
...& fade
