

Baby On Board

The Simpsons

Baby on board
How I've adored
That sign on my car's windowpane.
Bounce in my step,
Loaded with pep,
'Cause I'm drivin' in the carpool lane.
Call me a square,
Friend I don't care,
'Cause that little yellow sign can't be ignored.
I'm telling you it's mighty nice.
Each trip's a trip to paradise
With my baby on board.
