

## Jockey Song

The Simpsons

Freaks, freaks, freaks!  
We are the jockeys, jockeys are we  
We live underground in a fiberglass tree  
Ha!  
Ooo!  
Haha! 'Tween Earth and Hell, we reign supreme  
On toadstool thrones by a chocolate stream  
But all is not well in Jockey Town  
Your renegade horse is making us frown

Your horse must lose  
My horse must lose?  
No win!  
No show!  
No place!  
Just lose the stinkin' race  
And what if I refuse to lose?  
We'll eat your brain  
My horse must lose!
