

## Scared to Dance

The Skids

Your face in the corner  
Like some statue of gold  
I want you to walk home  
I want you to hold

But I'm scared to dance  
Said I'm scared to dance  
Well I'm scared to dance

I've seen you before girl  
And I've held your wrist  
But I can't jive girl  
No I cannot twist

But I'm scared to dance  
Said I'm scared to dance  
Well I'm scared to dance

So now I walk behind you  
And you don't hear  
Until I'm right beside you  
Until you bleed (Ha! Ha! Ha!)

But I'm scared to dance  
Said I'm scared to dance  
Well I'm scared to dance
