Saw Vietnam as a partisan and wished I`d never been As I held the rope on through the scope I wish I`d never seen Where the air turned red as the bodies bled into a schoolboy`s dream

But who were there could only stare into this wondrous scene

```
Yankee, to war
Yankee, head high,
Yankee, in call
Yankee, we cry.
```

In Germany in the `45, my mind was on the altar Thought of God the Iron Rod and thought that needed shelter From `Tragen` pain and men insane and eyes that got much colder Saw a German son with a Yankee gun and a uniform much older

```
Yankee, to war
Yankee, head high,
Yankee, in call
Yankee, we cry.
Working for the Yankee Dollar
```

Working for the Yankee Dollar

Processions bear that human flare which mark a hero's welcome For those dead and for those shed it was a big occasion And all flags and Yankee mags which embroidered all the meaning In an oversight, forgot the fight, which never bore elation

```
Yankee, to war
Yankee, head high,
Yankee, in call
Yankee, we cry.
Working for the Yankee Dollar
Working for the Yankee Dollar
```
