

# Bin Waitin

## The Slackers

All year long, I been on trial  
For some things I done  
And some things I didn't do  
A lot of people, they wanna drag me down  
Into their Hell  
I can't turn myself into you

Why don't you finish what you start?  
(What you start, what you start, what you start, waa-  
ooh)  
Were you waitin' for a change of heart?

'Cause I bin...

I bin waitin' (People bin waitin')  
I bin waitin' (I bin waitin' for a new state of  
mind...)  
I bin... (I bin waitin')  
People bin... (People bin waitin')  
I bin waitin'... (I bin waitin' for a new mankind...)

We're livin' in a time where man  
Where you gotta do what you can to be better than  
The one that came before you  
War and bloodshed's on my door  
I been scarred before, but  
This is an open wound

I bin waitin' (People bin waitin')  
I bin waitin' (I bin waitin' for a new state of  
mind...)  
I bin... (I bin waitin')  
People bin... (People bin waitin')  
I bin waitin'... (I bin waitin' for a new mankind...)

When I was young, I could just waste my time  
And charm wine  
And just spend another dime  
But now I can't, so mamma  
Come take my hand, I'm gonna be a man  
We'll see just what we find

Why don't you finish what you start?  
(What you start, what you start, what you start, waa-  
ooh)  
Were you waitin' for a change of heart?

I bin waitin' (People bin waitin')  
I bin waitin' (I bin waitin' for a new state of  
mind...)  
I bin... (I bin waitin')  
People bin... (People bin waitin')  
I bin waitin'... (I bin waitin' for a new mankind...)
