

# Crazy

The Slackers

Crazy, crazy, crazy, ah  
Crazy, crazy, crazy, ah  
Crazy, crazy, crazy.

Chorus:

Every day I'm livin' in a world gone crazy (Crazy,  
crazy, ah)  
Every day I'm livin' in a world gone crazy (Crazy,  
crazy, ah)

Everywhere I see people cryin'  
Everywhere there's people dyin'  
Every day the human race is  
Filling me with more disgraces.

Every day I'm livin' in a world gone crazy (Crazy,  
crazy, ah)  
Every day I'm livin' in a world gone crazy (Crazy,  
crazy, ah)

Only making more pollution  
Age-old borderline disputes and  
War for pride and retribution  
Wasted life with no solution

Tell me what am I to do now? (Crazy, crazy, ah)  
All my plans, all my plans fell through now  
Oh God help me

Can you tell me where it started?  
Was man meant to be broken-hearted?  
How does God put me in danger?  
They say it's only human nature

Oh, I think this world's gone crazy  
I'm tellin' you, man, I think this world's gone mad...

Every day I'm livin' in a world gone crazy (Crazy,  
crazy, ah)  
Every day I'm livin' in a world gone crazy (Crazy,  
crazy, ah)  
Tell me what am I do do, tell me what am I to do now?  
(Crazy, crazy, ah)
