

Do You Know

The Slackers

Do you know
Darling why I miss you
And why I wanna kiss you
Oh, do you know

Oh my baby,
Why you drive me crazy
You think I'm very lazy
What do you know

Now it's my turn to put things in the right place
It's time to turn things up with my (???) tricks
I'm not trying to put you down in a mud patch
I just want to sing to you all day long and tra-la-la-la

Oh my baby,
Why you drive me crazy
You think I'm very lazy
What do you know

See your (???) kick
And you run and get the stick
They say you never miss a lick
What do you know

Oh, my darlin'
Why do we fight today?
I don't know what to say
So I think to go

I got to be a man
There's no better in this land
I'm gonna make you understand
What do you know

Now it's my turn to put things in the right place
It's time to turn things up with my (???) tricks
I'm not trying to put you down in a mud patch
I just want to sing to you all day long and tra-la-la-la

Do you know
Darling why I miss you
And why I wanna kiss you
Oh, do you know

What do you know.....
