

Don't Look Back

The Slackers

I'd like to say it's nice to hear from you
But I'd be lying
I'd like to say there's catching up to do
But I'd be lying
Maybe you take the way that I ignore you
As a kind of attack
You fought, the last time that I ever saw you
I never once looked back
So don't look back
Don't look back
Ain't no good could ever come
Don't look back
Don't look back
I say, come on now, don't you be dumb

Maybe I'm just afraid I'd talk too proud
Maybe I'm just afraid I'd get too loud
Ain't nothing lost that's needing to be found
That much is true
I'm just sad to know you're still around
And I'm sad you know I'm still around
Let's just agree
You forget me
And I'll forget you too
Don't look back
I said, don't look back
I said, shut your mind and never speak
Don't look back
I said, don't you look back
Just close your heart and don't be weak

I'd like to say I'm trying to keep it cool
And I'm trying
I'd like to say you're trying to keep it cool
And I'm trying
I'm not saying that I wish you dead
No, I ain't gone that far yet
Don't look back, is all I said
That's all I said
Don't look back
Don't look back
Don't look back, believe me
Don't look back
Man, don't look back
Memories leave me
Don't look back
Honey, don't look back
Shut your mind and never speak
Don't look back
I said, don't look back
Just close your heart and don't be weak
Don't look
