

Don't Wanna Go

The Slackers

(dont wanna go)
No, no no.

Things have changed, I'm not the same.
I need you to let me be.
Something was wrong,
its not anymore.
I need you to let me be, to let me be.
'Cause I don't want to go home.
I don't want to go home.
No no no,
I won't see you anymore.

It just stands to reason
that your bridge can take
only so much weight
before it breaks.
And I take the long road
whenever I can.
But I won't take the wrong road
to your, your dumb traffic jam.

Honey I, no no no.
I don't want to go home.
No no, don't want to go home.
I won't see you anymore.

See I'm not above
just fighting for love.
If I can't be, I can't be.
And I'm not for
abiding by laws.
But all I ask, is set me free.
Set me free,
'cause I don't want to go home.
No no, I don't want to go home.
I won't see you anymore.
