

# I Shall Be Released

The Slackers

They say every man can be replaced,  
Yet every distance is not near.  
So I remember every face  
Of every man who put me here.  
I see my light come shining  
From the west down to the east.  
Any day now, any day now,  
I shall be released.

They say every man needs protection,  
They say that every man must fall.  
Still I swear I see my reflection  
Somewhere so high above this wall.  
I see my light come shining  
From the west down to the east.  
And any day now, any day now,  
I shall be released.

Every day in this lonely crowd,  
Stands a man who's not to blame.  
And every day I hear him shouting so loud,  
Crying out that he's been framed.  
I see my light come shining  
From the west down to the east.  
Any day now, any day now,  
I shall be released.

I see my light come shining  
From the west down to the east.  
Any day now, any day now,  
I shall be released.

I shall not, I shall not be moved,  
I shall not, I shall not be moved.
