Why won't you tell me?  
The reason why, the reason why you cry  
Why won't you tell me?  
The reason why, the reason why you cry

Is it something in your eye? (Something in your eye?)  
Something in your eye? (Something in your eye?)  
Something in your eye?  
Makes me stay up all night long, and...

Try to talk but I can't get through  
Won't you tell me what can I do?  
I try to hold you, you turn away  
I won't leave, 'cause I'm here to stay  
Yeah (yeah) yeah (yeah) yeah

Every day you got me on my knees  
All I ever do is try to please  
First you're happy, next you're blue  
Tell me baby, what can I do?  
Ooh (ooh) ooh (ooh) ooh

Why won't you tell me? x4

(The reason why you cry)  
(The reason why)  
(Tell me the reason why you cry)
