

Mommy

The Slackers

I said aye ay ay ay
You know my mommy died
I said my mommy died
Woah aye ay ay ay

And now woah oh oh oh
Tell me where mommy go
I said where mommy go
Oh woah oh oh oh

Now mamma she love me this I know (this I know, this I know)
Mama dont leave me yet
Mama dont leave me yet
Please mama dont leave me yet
Oh...

I said aye ay ay ay
You know my mommy died
I said my mommy died
Woah aye ay ay ay

Now mama dont leave me
This I know (this I know, this I know)
Mama's inside me yes
Mama's inside me yes
Mama's inside me yes
Woah...

I said aye ay ay ay
You know my mommy died
I said my mommy died
Woah aye ay ay ay
