

Power

The Slackers

I don't bother asking questions
When all you say is "No"
And I don't bother acting with convention
When all you say is "Go"

Tell me (tell me)
Tell me what would you do, Lord (tell me)
Tell me what would you do, Lord

Get up and fight now (yeah, yeah, yeah)
People unite now (yeah, yeah, yeah)
We'll be alright if we just get together
We'll be alright if we just get together

I won't cause any complication
No, no complication (for you)
And I won't bother to contradict my opinion
Because you tell (me to)

Tell me (tell me)
Tell me what would you do, Lord (tell me)
Tell me what would you do, Lord

Dinga-linga ling
Hear the churchbell ring
Yes, Lord, I can hear the children sing
This is their part of town
And nothing in the world can bring them down
The good Lord's brought them together on this day
Dictator oppressor man, you have no power
For you will see you've lost it within this hour
The children have been brought up strong
And in my eyes they can do no wrong
For they are the future for us all
They're gonna give it all they've got
Until they reach freedom, they just won't stop
They're only trying to save our souls

Tell me (tell me)
Tell me what would you do, Lord (tell me)
Tell me what would you do, Lord
