Are we both eating from the same pot?  
You get the meat, while I get the bone

Are we both eating from the same pot?  
You get the meat, while I get the bone  
You drink the stew, and leave me the stone

'Cause I see the bucket full  
You say it empty  
I see the bucket full  
You say it empty  
I see the bucket full  
I want my food now  
I want my food now  
I want my...
