

Sarah

The Slackers

Mother said you turned my food to poison
To her father on a cold Thanksgiving day
The holidays leave me with anti nausea
And so I turned my head and walked away

You said I never had to have a reason
Just for feeling all the feelings that I do
The summer days leave me with anti sneezers
And drunken was the day that I found you

Sarah (Sarah)
Oh girl you know I love you and I'll love you for the
rest of my life
Sarah (Sarah)
I'm always thinking of you I'm so sorry I can't make
you my wife this life

Well no one else could make me feel as lonesome
As you made me feel on Thursday night
Because you know it - the world misunderstands me
Only you can make me feel alright

I guess I thought that we could live forever
In a state of such imaginary grace
Where you could find your diamonds in my arms dear
I could find a reason in your face

Sarah (Sarah)
Oh girl you know I love you and I'll love you for the
rest of my life
Sarah (Sarah)
I'm always thinking of you I'm so sorry I can't make
you my wife this life

And so I softly drop you at the station
Slowly turn the key and drive away (ooh ooh ooh...)
Do you kiss my lips with hesitation
Because your just afraid of what they might say?

Sarah (Sarah)
Oh girl you know I love you and I'll love you for the
rest of my life
Sarah (Sarah)
I'm always thinking of you I'm so sorry I can't make
you my wife this life

Oh Lord, Lord, Lord I had such plans for us...
Oh Lord, Lord, Lord I had such plans for us...
