

Thank You

The Slackers

Well, I want to thank you
For the good times that we had
I want to thank you
For the good times and the bad
All the Mondays and Tuesdays
And the time spent overseas
For all the Thursdays and Fridays too
And the time with my family

Honey, I'm gonna try, I'm gonna try
To make things a little bit better
I'm gonna try, I'm gonna try
To make things a little bit better

Baby, I want to thank you
For the times I didn't say please
All the time on my feet
And even time begging on my knees

You know I even took the time
To get my degree
But, lord, it didn't help me none
Of what I want to see

Honey, I'm gonna try
To make things a little bit better
I'm gonna try
To make things a little bit better

I want to thank you now
Oh, please let me show you how
I want to thank you
And show you that I care

Just want to thank you
Just want to thank you, baby
Just want to thank you
Just want to thank you, baby

I'm gonna try
To make things a little bit better
Honey, I'm gonna try
To make things a little bit better
I'm want to
I want to thank you now
Please, let me show you how
