

You Don't Know I

The Slackers

Well have I ever seen
Two eyes looking as lovely as you look tonight
Standin' in your way
I'm looking at you, but you're looking away

All I want to say...
Is that I love you
All I want to say...
Is that I love you
But you don't even know me

That's right you don't you don't you don't you don't
Darling you don't know...
That's right you don't you don't you don't you don't
Darling you don't know...

They say that love is pain
That Cupid's little arrow is a bullet right to your
brain
I tell you it's a lie...
'Cause Cupid shot me in the eye and now I'm dumb and
blind

All I want to do...
Is just kiss you
All I want to do...
Is just kiss you
But you don't even know me

I know that nothing ever changes (Nothing ever changes
my ma-a-an)
But at this moment, I'll love you through the ages
(Through the aaages)
And I feel that you already know that...
I know that you know that I now that you don't know me!

That's right you don't you don't you don't you don't
Darling you don't know...
That's right you don't you don't you don't you don't
Darling you don't know...

They say that love is pain
That Cupid's little arrow is a bullet right to your
brain
I tell you it's a lie...
'Cause Cupid shot me in the eye and now I'm dumb and
blind

All I want to do...
Is just kiss you
All I want to do...
Is just kiss you
But you don't even know me
