

Free Your Mind

The Slapdash

She wears tight clothing, high heeled shoes
It doesn't mean that she's a prostitute, hell no
She like rap music, wear pop clothes
That doesn't mean that she's sellin' dope no no no
Oh my forgive her for having straight hair, no
It doesn't mean there's another blood in her heir yeah yeah
I date another race or color
That -- doesn't mean a lot.

Why oh why must it be this way
Before you can read me you gotta learn how to see me, I said
Free your mind and the rest will follow
Be color blind, don't be so shallow.
Free your mind and the rest will follow
Be color blind, don't be so shallow

So she's a sistah
Buy things with cash
That really doesn't mean that all her credit's bad, ooh
So why dispute her and waste her time
Because you really think the price is too high for her
She can't look without being watched, and oh
You rang my buy before she made up my mind, OW!
Bullshit attitude, why even bother
I can't change your mind, you can't change the color

Why oh why must it be this way?
Before you can read me you gotta learn how to see me, I said
Free your mind and the rest will follow
Be color blind, don't be so shallow...
Free your mind and the rest will follow
Be color blind, don't be so shallow...
Free your mind
Be color blind
Free your mind
Be color blind

Yeah, she wears tight clothing and high heeled shoes
But that doesn't mean she's a prostitute
She like rap music, wear hip hop clothes
And that doesn't mean that she's sellin' dope
She's a sistah
Buy things with cash
And that really doesn't mean that all her credit's bad
So why dispute her and waste her time
You don't think the price is too high
Free your mind and the rest will follow
Be color blind, don't be so shallow...
Free your mind and the rest will follow
Be color blind, Free your mind

Why oh why must it be this way?
Before you can read me you gotta learn how to see me, I said
Free your mind and the rest will follow
Be color blind, don't be so shallow...
Free your mind and the rest will follow
Be color blind, don't be so shallow...

Free your mind
Be color blind
Free your mind
Free your mind
