

Dearest Mistake

The Sleeping

Down that road,
bloom in growth.
I won't wait for you.
I won't wait for you.

I hope you're sitting while you read this.
Study it well. This is the last you'll see of me.
Dearest mistake, I can't forgive it.
One thing's for sure, he's not worth your time and heart.

Down that road,
bloom in growth.
I won't wait for you.
I won't wait for you.

By now, I'd hate myself.
I don't want you to want him.
No.

As we move on and we look back,
We both knew the truth, we were as wrong as wrong could be.
Even at our worst, somehow we made it work.
Those days are gone, since been cheated by three dull words.

Down that road,
bloom in growth.
I won't wait for you.
I won't wait for you.

By now, I'd hate myself.
I don't want you to want him.
No.
Somehow, I've changed myself.
I don't want you to want him,
but I don't want you.
No.
I don't don't want you. I don't...

By now, I'd hate myself.
I don't want you to want him.
No.
I don't want you to want him,
but I don't want you.

No.
I don't want you.
