

Dream On

The Sleepy Jackson

I love your ways too much
But I saw right through all of you
Into nothing and it's hard
When you don't know what you've done,
and it causes no-one fun,
and it's like they know you've won.
Causes no-one no fun at all.
No fun at all.

Love in 2 days, it's too much
and I fell right through all of you
into nothing and it's hard
when they don't know what they've won.
It causes no fun
And it's like they have no-one.
Causes no one no fun at all.
No fun at all.

Dream on and dream on.
A dream is all you live on.
Dream at home and dream alone.
A dream is all you need.

All these colours on mind keep me up all night.
All my thoughts are dreams.

Dream on and dream on.
A dream is all you live on.
Dream at home and dream alone.
A dream is all you need.
