

# I Understand What You Want But I Just Don't Agree

The Sleepy Jackson

Running home I look, just now  
I played with colors filed as learn alone  
They don't mean bad when they fooled you on the phone  
Way they walked led them to dream on their own

4.30am in a creeping low  
I played a courtroom on my witches door  
Hang on to the only one  
Why all the lovers turn and pray on the phone

And my eyes turn around at you  
I understand what you want  
And my eyes turn around at you  
I understand what you need  
And my eyes turn around at you  
But I just don't agree

One fool, just don't see  
One fool, just don't be

Close my eyes and there will be crying  
Close my eyes and there will be love, love, love

And my eyes turn around at you  
I understand what you want  
And my eyes turn around at you  
I understand what you need  
And my eyes turn around at you  
But I just don't agree  
Don't agree, don't agree

One fool, just don't see  
One fool, just don't be

And my eyes turn around at you  
I understand what you want  
And my eyes turn around at you  
I understand what you need  
And my eyes turn around at you  
But I just don't agree, don't agree

And my eyes turn around at you  
I understand what you want  
And my eyes turn around at you  
I understand what you need  
And my eyes turn around at you  
But I just don't agree, don't agree

And my eyes turn around at you  
And my eyes turn around at you  
And my eyes turn around at you  
I just don't agree
