

## Difficult Fun

## The Slits

He's lying by the river  
He's rested and unsatisfied  
He's searching for the better but finds that

Difficult fun is hard to come by  
Difficult fun is hard to come by  
And empty fun is easy  
And empty fun is easy to find

Fun is not easy

He's lying around the gloam  
He's rested and unsatisfied  
Leaving a trail behind him  
Fighting better on habits

Difficult fun is hard to come by  
Difficult fun is hard to come by  
And empty fun is easy  
And empty fun is easy to find

Fun is not easy to find

Pleasure seeking  
Pleasure seeking  
Is easy
