The Slits

He is a boy
He's very thin
Until tomorrow
Took heroin
Don't like himself very much
'Cause he has set to set to self-destruct
He is
Set to self-destruct
He is
Too good to be true

Enjoy it
Destroy it

He is
Too good to be true
He is
Set to self-destruct (set to self-destruct)

Enjoy it
Destroy it

I could
Hate you anytime
I could
Give you anything

Enjoy it
Destroy it

I forgive you anything
But I could
Hate you anytime

Enjoy it
Destroy it

He is
Set to self-destruct
