### The Slits

Put the cheddar in your pocket,  
put the rest under your jacket,  
I'll talk to the cashier,  
he won't suspect  
and if he does...

Do a runner, do a runner

Ten nickers for the lot,  
we pay fuck all  
Mr. Packy won't lose much,  
and we'll have dinner tonight.

Do a runner, do a runner

The bastard is trying to watch us,  
through the mirror and TV  
but they are not gonna catch us  
because we are gonna run, run...

Do a runner, do a runner

Ten nickers for the lot,  
we pay fuck all  
Mr. Packy won't lose much,  
and we'll have dinner tonight.
