I Don't Owe You Anything

The Smiths

Bought on stolen wine A nod was the first step You knew very well What was coming next Bought on stolen wine A nod was the first step You knew very well What was coming next Did I really walk all this way Just to hear you say : "Oh, I don't want to go out tonight" ? "Oh, I don't want to go out tonight" Oh, but you will For you must I don't owe you anything, no But you owe me something Repay me now You should never go to them Let them come to you Just like I do Just like I do You should not go to them Let them come to you Just like I do Just like I do Did I really walk all this way Just to hear you say : "Oh, I don't want to go out tonight" ? "Oh, I don't want to go out tonight" But you will For you must I don't owe you anything, no But you owe me something Repay me now Too freely on your lips Words prematurely sad Oh, but I know what will make you smile tonight Life is never kind Life is never kind Oh, but I know what will make you smile tonight
