Stop Me If You Think You've Heard This One Before

The Smiths

Stop me, oh, oh-o, stop me Stop me if you think That you've heard this one before

Stop me, oh, oh-o, stop me Stop me if you think That you've heard this one before

Nothing's changed I still love you, oh, I still love you Only slightly, only slightly less Than I used to, my love

I was delayed, I was way-laid An emergency stop I smelt the last ten seconds of life I crashed down on the crossbar

And the pain was enough to make A shy, bald, Buddhist reflect And plan a mass murder Who said lied I'd to her?

Oh, who said I'd lied?
Because I never, I never
Who said I'd lied?
Because I never

I was detained, I was restrained And broke my spleen and broke my knee And then he really lays into me Friday night in out-patients Who said I'd lied to her?

Oh, who said I'd lied?
Because I never, I never
Who said I'd lied?
Because I never

And so I drank one
It became four
And when I fell on the floor
I drank more

Stop me, oh, oh-o, stop me Stop me if you think That you've heard this one before

Stop me, oh, oh-o, stop me Stop me if you think That you've heard this one before

Nothing's changed
I still love you, oh, I still love you
Only slightly, only slightly less
Than I used to, my love
