Go To Sleep You Little Baby

The Soggy Bottom Boys

Go to sleep you little baby Go to sleep you little baby

Your momma gone away and your daddys gone to stay Didn't leave nobody but the baby

Go to sleep you little baby Go to sleep you little baby

Everybodys gone in the cotton and the corn Didn't leave nobody but the baby

Don't you weep pretty baby Don't you weep pretty baby

She's long gone with her red shoes on Gonna need another loving baby

Don't you weep pretty baby Don't you weep pretty baby

You and me and the devil makes three Don't need no other loving baby

Go to sleep you little baby Go to sleep you little baby

Come lay your bones on the alabaster stones $\mbox{\fontfamily And}$ be my ever loving baby
