

Dirty Robber

The Sonics

Well, I had a little girl
She was so mean to me
Told her off now
Yes indeed
Said

Your dirty robber
Your dirty robber
Well, you've taken my love
Then you run away

Well, I went to her house
I gonna take her to a show
Find her there
With someone high class Joe

Your dirty robber
Your dirty robber
Well, you've taken my love
Then you run away
