anytime that you want me
and i knew that you might
well you know how
how i love you believe me (2x)

well if you want it's alright
(it's alright)
yeah if you want it's alright

if you want it's alright

well if you want it's alright
if you want it's alright (it's alright)

all the love that you've got there
and i think that you might
and you know how
how i love you believe me (2x)
if you think it's alright
