

## Since I Fell for You

The Sonics

You made me leave my happy home  
Now, i'll always have to roam.  
Since i fell for you  
Love brings such misery and pain  
I know i'll never be the same  
Since i fell for you  
You love me, then you snub me  
But i, i don't know what to do.  
You tell me that you love me  
But what can i do, i'm still in love with you.  
-organ solo-  
You love me, then you snub me  
But i, i don't know what to do.  
You tell me that you love me  
But what can i do, i'm still in love with you.  
And i get the blues most every night  
I know i'll never feel just right  
Since i fell for you  
Since i fell for you  
Since i fell for you
