

Skinny Minnie

The Sonics

My Skinny Minnie is my hearts desire
every time I see her sets my soul on fire
when I see her walking down the street
I say, hey baby, you're kind'a neat
She's my Skinny Minnie, she ain't skinny
she's tall, that's all!

If you see her walking down the street
you'll say, hey baby, you're kind'a neat
If you see her walking right by you
you'll say, hey coochie coochie coo

-SAX SOLO-

If you see her walking right by you
I say, hey baby, you're kind'a cute
When you see her walking next to you
you'll say, hey coochie coochie coo

My Skinny Minnie is my hearts desire
she's the one that sets my soul on fire
when I see her walking down the street
I say, hey baby, you're kind'a sweet
She's my Skinny Minnie, she ain't skinny
she's tall, that's all!
