

## Lost Chapters

### The Sorrow

We are bled dry, we lost the spark  
I miss determination in your eyes  
Once you said: It's not for the win, it's for the fight  
But the distance between you and your words  
Became as big as oceans deep  
What has made you to this person in front of me?  
Personal loss broke your spine, intimidated to  
experience  
The next big disappointment

Robbed of all the courage you've worn in your chest  
It hurts to see you're a broken person these days

Can I still try to lead you back  
To the hidden beauty of these days?  
It's still an old thesis  
But time will heal all wounds  
There may will be scars, invisible and visible ones  
those that hurt and those that don't  
They will be a part of your life from now on  
Carry them with pride  
They tell the story of your life

Robbed of all the courage you've worn in your chest  
It hurts to see you're a broken person these days

You're a broken  
You're a broken  
You're a broken  
You're a broken person these days

You're a broken  
You're a broken  
You're a broken  
You're a broken person these days
